BAKE IT™

Sistema® BAKE IT™ containers are designed to keep all your baking ingredients fresh. Featuring an extended skirt seal around the lid for more secure sealing, sculptured hand grips for comfort, and Sistema's clever compact stacking system, it is ideal for organising all your baking needs.

The 1.56L, 2.4L & 3.25L containers come with a handy cup that features a flat front edge to make scooping and pouring a breeze.

Our Sistema® BAKE IT™ Cake box has a reversible base tray. One side is flat and is ideal for cakes, loafs, tarts & pies, or simply flip the tray to hold up to twelve cupcakes or muffins. With its convenient carry handle our cake box is perfect for transporting your baking treats.

Millions of customers in over 100 countries around the world use Sistema® products to help make their life a little easier. From drink bottles to lunch boxes, microwave mugs to kitchen storage containers; everywhere Sistema® products are used people find a purpose that suits their lifestyle.

Sistema® was built on one man's dream in his garage in a small town in New Zealand. That dream has now grown to include a team that spans the world. The vision to manufacture a beautifully designed, well made container in New Zealand and ship it to customers around the world has been realised.

But our dream has not finished as we continue to innovate and design an ever increasing range of products manufactured to suit our customer's ever changing requirements. Check out our range and be assured that every container that leaves our state of the art factory in New Zealand is made using virgin material that is both BPA and Phthalate free.
