HYDRATE

We offer stylish drink bottles in a wide range of sizes and fashionable colours; there is a drink bottle to suit all your family's hydration needs.

The SPORT FUSION™ bottles feature a flip top lid with secure snap closure for easy drinking and a spiral spider in the top of the bottle to break up powders and aerate liquids. The large SPORT FUSION™ Bottle has a handy keep safe cup that twists onto the bottom of the bottle. The cup is perfect for storing sports powders, nibbles, car keys, valuables and more.

Our range of Trio bottles have a smaller twist cap for easy pouring and drinking, plus a wide mouth opening to make it easy to add fruit, ice cubes and to clean the bottle. The wide mouth opening lid conveniently doubles as a drinking cup.

We also have a range of bottles that feature our popular patented TWIST 'N' SIP™ lid. This unique lid allows the bottle to be opened and closed without fingers touching the sipper tip – a more hygienic way to drink.

Contacts

Millions of customers in over 100 countries around the world use Sistema® products to help make their life a little easier. From drink bottles to lunch boxes, microwave mugs to kitchen storage containers; everywhere Sistema® products are used people find a purpose that suits their lifestyle.

Sistema® was built on one man's dream in his garage in a small town in New Zealand. That dream has now grown to include a team that spans the world. The vision to manufacture a beautifully designed, well made container in New Zealand and ship it to customers around the world has been realised.

But our dream has not finished as we continue to innovate and design an ever increasing range of products manufactured to suit our customer's ever changing requirements. Check out our range and be assured that every container that leaves our state of the art factory in New Zealand is made using virgin material that is both BPA and Phthalate free.
