KLIP IT[™]

Our unique Sistema® KLIP IT™ storage range features a compact stacking system to create clever space saving forms. It is ideal for organising today's busy kitchen and provides one of the world's most comprehensive food storage solutions.

The modular stacking shapes of the Sistema® KLIP IT™ rectangular range ensures the most efficient use of space in the fridge, freezer and pantry. With the easy to use locking clips plus flexible seal, food stays fresher for longer. Our round containers are suitable for semi-liquid and dry food storage. The range comprises multiple sizes to suit all your food storage needs, plus the 700ml, 1 Litre & 1.5 Litre rounds have complimentary strainers. The utility range has a container to suit all your kitchen storage requirements from juice to cereals to salads and cold cuts.

Millions of customers in over 100 countries around the world use Sistema® products to help make their life a little easier. From drink bottles to lunch boxes, microwave mugs to kitchen storage containers; everywhere Sistema® products are used people find a purpose that suits their lifestyle.

Sistema® was built on one man's dream in his garage in a small town in New Zealand. That dream has now grown to include a team that spans the world. The vision to manufacture a beautifully designed, well made container in New Zealand and ship it to customers around the world has been realised.

But our dream has not finished as we continue to innovate and design an ever increasing range of products manufactured to suit our customer's ever changing requirements. Check out our range and be assured that every container that leaves our state of the art factory in New Zealand is made using virgin material that is both BPA and Phthalate free.
