LUNCH

Our Sistema® LUNCH range has everything covered for your lunch needs; smaller containers for younger kids or snacks, larger containers for sandwiches or salads and multi-compartment containers to keep food items separated until ready to eat.

Our popular QUADDIE™ lunchbox features multi-compartments in the lid for storing morning tea snacks, fruit or goodies, plenty of room in the base container for sandwiches and a handy drink bottle with a seal-tight screw top lid. For a handy tip; freeze your drink the night before in the freezer safe drink bottle, then pop it in the lunch box in the morning to keep you lunch chilled and fresh until lunch time.

Sistema's Bento Box is ideal for keeping your lunch items and snacks separated and fresh until ready to eat. Featuring a generous center compartment that can be split as desired with our moveable slide divider, a seal-tight yogurt pot and two smaller compartments with hinged lids for dips, spreads, nuts or raisins. Your lunch has never looked so exciting.

# Contacts

Millions of customers in over 100 countries around the world use Sistema® products to help make their life a little easier. From drink bottles to lunch boxes, microwave mugs to kitchen storage containers; everywhere Sistema® products are used people find a purpose that suits their lifestyle.

Sistema® was built on one man's dream in his garage in a small town in New Zealand. That dream has now grown to include a team that spans the world. The vision to manufacture a beautifully designed, well made container in New Zealand and ship it to customers around the world has been realised.

But our dream has not finished as we continue to innovate and design an ever increasing range of products manufactured to suit our customer's ever changing requirements. Check out our range and be assured that every container that leaves our state of the art factory in New Zealand is made using virgin material that is both BPA and Phthalate free.
