New Product

2016

Our commitment to quality innovation is paramount in new product development. Once again we have developed 30+ new products to further enhance and add to the lifestyle ranges that are gracing the worlds premier retailers. We have introduced many new materials and design twists to ensure that we bring exciting new options to optimise the retail offering.

We regularly analyse the colour trends and aspirations that are reflected in our lifestyle ranges to ensure we remain at the forefront of trends as they evolve.

Contacts

Millions of customers in over 100 countries around the world use Sistema® products to help make their life a little easier. From drink bottles to lunch boxes, microwave mugs to kitchen storage containers; everywhere Sistema® products are used people find a purpose that suits their lifestyle.

Sistema® was built on one man's dream in his garage in a small town in New Zealand. That dream has now grown to include a team that spans the world. The vision to manufacture a beautifully designed, well made container in New Zealand and ship it to customers around the world has been realised.

But our dream has not finished as we continue to innovate and design an ever increasing range of products manufactured to suit our customer's ever changing requirements. Check out our range and be assured that every container that leaves our state of the art factory in New Zealand is made using virgin material that is both BPA and Phthalate free.
