TO GO[™]

Our Sistema® TO GO™ range is perfect for busy lifestyles; it is focused on keeping food fresh on the go, with multi compartments to keep ingredients separated and fresh until ready to eat.

We have everything covered for your food on the go needs; starting with smaller containers for sauces, yogurt, muffins and snacks. Larger containers for sandwiches, salads and wraps. Multi-compartment containers to keep ingredients and food items separated until ready to eat. Colourful microwave containers for heating up soups, pastas and noodles. Shakers, cutlery and more.

Whether you are taking lunch to the office, work site, school or trips to the park, there is a Sistema® TO GO™ container to suit your needs.

Contacts

Millions of customers in over 100 countries around the world use Sistema® products to help make their life a little easier. From drink bottles to lunch boxes, microwave mugs to kitchen storage containers; everywhere Sistema® products are used people find a purpose that suits their lifestyle.

Sistema® was built on one man's dream in his garage in a small town in New Zealand. That dream has now grown to include a team that spans the world. The vision to manufacture a beautifully designed, well made container in New Zealand and ship it to customers around the world has been realised.

But our dream has not finished as we continue to innovate and design an ever increasing range of products manufactured to suit our customer's ever changing requirements. Check out our range and be assured that every container that leaves our state of the art factory in New Zealand is made using virgin material that is both BPA and Phthalate free.
